Welcome to our floor paint guide.

Teal & Mackrill began manufacturing paint in 1908 producing marine and industrial coatings for the manufacturing and shipbuilding industries. This brand still thrives today and is better known as Teamac.

Teal & Mackrill diversed into specialist and functional coatings for the building and decorative trade under the brand Coo-Var. Coo-Var is a leading brand in specialist paints, especially floor paints. This guide has been designed to help you decide which floor paint products

best suits your requirements, by providing basic technical information.

If you require further information please call our sales office on +44 (0)1482 328053 or Technical Services Helpline on +44 (0)1482 381444. Altneratively visit www.coo-var.co.uk where data sheets are available for download.

KEY:

Touch dry

Floor Paint Systems:

Previously Painted Concrete

SINGLE PACK

ACRYLIC FLOOR PAINT

If existing coating is not sound - remove by vacuum blasting or diamond grinding then treat as bare

Use Oil Remover if necessary

If existing coating is sound - abrade to provide a suitable key

Apply 2 coats of Acrylic Floor Paint at 11 sqm/l

or

7

Apply 2 coats of Anti-slip Acrylic Floor Paint at 5-9 sqm/l for an anti-slip finish

FLOOR PAINT

If existing coating is not sound - remove by vacuum blasting or diamond grinding then treat as bare

Use Oil Remover if necessary

If existing coating is sound - abrade to provide a suitable key

Apply 2 coats of Floor Paint at 9-11 sqm/l

or

Apply 2 coats of Suregrip at 6-10 sqm/l for an anti-slip finish*

TWO-PACK

PROFLOOR

If existing coating is not sound - remove by vacuum blasting or diamond grinding then treat as bare

Use Oil Remover if necessary

If existing coating is sound - abrade to provide a suitable key

Use Floor pack repair mortar if necessary

Apply 1 coat of Profloor

Apply a 2nd coat of Profloor

PROFLOOR PLUS

If existing coating is not sound - remove by vacuum blasting or diamond grinding then treat as hare

Use Oil Remover if necessary

If existing coating is sound - abrade to provide a suitable key
